Global Security Headlines

Welcome to Travel Security Services Ltd. Global Assistance Program

Rest assured that whenever you travel internationally or live abroad, Travel Security Services Ltd. has a 24/7 resource on call, online and even on the ground to help with any medical, security and logistical questions, concerns and situations that may arise. So if you need a medical referral, lose your medication, seek pre-travel advice or experience a medical or security crisis, Travel Security Services Ltd. has a fully integrated program in place so you receive the care and expertise that you need, whenever and wherever you need it.

Travel Security Services Ltd. partners with International SOS, the leading medical assistance, international healthcare and security assistance company. Travel security services are provided by a joint venture of International SOS and Control Risks, the world's leading security risk management firm.

Take advantage of this powerful resource by calling an International SOS assistance center, which has physicians, multilingual coordinators, operations managers, logistics support personnel and medical and security professionals on hand to speak with you.

Also, prepare yourself by browsing through our various medical and security online tools and signing up for our alerts.

Through International SOS, you can store your vital personal health, vaccination and travel information securely online. That way you can access it anytime, anywhere. The information will be available to you and, with your consent, made available to International SOS medical staff to better assist you in the event of an emergency. The system also recommends appropriate vaccinations and sends you reminders when follow-up boosters are required.

Email Alert Subscription Guide

LOGGING IN

You can access the email alert subscription page from your Portal or Member's Home page.

The screenshot shows a web interface titled "My Alerts | Logon". Under the heading "Email alerts", there is a sub-heading "Email alerts" and a paragraph: "You can choose to receive a number of email alerts to keep you up to date with the latest developments around the world." Below this, there are two main sections: "How do I register" and "Login for existing users".

How do I register
If you have not registered to receive email alerts before, then enter your name and email address to register.
Name:
Email address:

Login for existing users
If you have already registered to receive email alerts, enter your email address in the form above and click Login.
Email address:

New users

Enter your name and email address and click **Register**

Existing users

Enter your name and email address and click **Login**

Note - when you first register we will send you an email; click on the link in the email to activate your registration. You can then sign in as an existing user to sign up for emails.

The screenshot shows a vertical menu titled "My Alerts". The menu items are "Settings", "Email Alerts", and "Log out of My Alerts". Three blue arrows point from the text descriptions on the right to each of these menu items.

Settings

Change your email address or delete your registration.
